

Steel Goat Vendor Application

Thanks so much for your interest! We currently do have a waiting list, but typically that list is comprised of people that would like to sell merchandise that we already offer in our market. We try to keep duplication to a minimum, so depending on what you sell will determine where you fall on that list. You can text or email photos of the items you sell to our panel:

412-576-8652 or ApplyToSteelGoatMarket@Gmail.com

We will get in touch to discuss what options we have for you. We look forward to reviewing your photos soon.

Please provide the following information in a text or email
